|---|-----------|
| <i>Acknowledgements</i> .....   | vii       |
| <i>Foreword</i> .....   | ix        |
| <i>Preface</i> .....  | xiii      |
| <b>1 General Introduction</b> .....                                       | <b>1</b>  |
| 1.1 Emerging Efficiency Improvement Drivers and Challenges .....          | 1         |
| 1.2 Other Essentials for Improving Utility Efficiency .....               | 6         |
| 1.3 The Role of Performance Monitoring and Regulation .....               | 7         |
| 1.4 Organization of the Book .....  | 10        |
| <b>2 Performance Development Planning</b> .....                           | <b>13</b> |
| 2.1 Introduction .....  | 13        |
| 2.2 Establishing Baseline Performance: A High-Impact Approach .....       | 14        |
| 2.3 Definition of Desired Situation .....                                 | 18        |
| 2.4 Scheming Requisite Strategic Actions .....                            | 23        |
| 2.5 Mechanisms for Gauging Success .....                                  | 24        |
| 2.6 Concluding Remarks .....  | 30        |
| <b>3 Modes of Performance Monitoring</b> .....                            | <b>33</b> |
| 3.1 Introduction .....  | 33        |
| 3.2 Input versus Output Monitoring Orientations .....                     | 36        |
| 3.3 Performance Regulatory Imperatives in Practice .....                  | 39        |
| 3.4 Practical Design Arrangements .....                                   | 45        |
| 3.5 Looking Forward: Key Success Factors .....                            | 50        |
| 3.6 Concluding Remarks .....  | 52        |
| <b>4 Exploring Use of Provocative Techniques</b> .....                    | <b>57</b> |
| 4.1 Introduction .....  | 57        |
| 4.2 Creativity: Lateral Thinking Techniques .....                         | 60        |
| 4.3 Case Illustrations .....  | 61        |
| 4.4 Other Considerations for Creative Incentives .....                    | 66        |
| 4.5 Concluding Remarks .....  | 67        |
| <b>5 Performance Monitoring Through High Incentive Plans</b> .....        | <b>69</b> |
| 5.1 Introduction .....  | 69        |
| 5.2 Practical Applications .....  | 71        |
| 5.3 Examples of Achievements Associated with Incentive Applications ..... | 82        |
| 5.4 Other Hints on Successful Incentive Designs .....                     | 82        |
| 5.5 Emotional Incentive Applications .....                                | 87        |
| 5.6 Concluding Remarks .....  | 90        |

|  |            |
|--|------------|
| <b>6 Customer Relations Monitoring and Benchmarking .....</b>                        | <b>93</b>  |
| 6.1 Introduction .....   | 93         |
| 6.2 Common Customer Care Issues .....  | 95         |
| 6.3 Practical Methods of Monitoring Customer Relations .....                         | 97         |
| 6.4 The Role of Public and Media Relations .....                                     | 102        |
| 6.5 Other Useful Monitoring Elements .....   | 105        |
| 6.6 Concluding Remarks .....   | 108        |
| <b>7 Pro-Poor Oriented Performance Monitoring .....</b>                              | <b>111</b> |
| 7.1 Introduction .....   | 111        |
| 7.2 Recipes for Sustainable Project Intervention .....                               | 114        |
| 7.3 Identifying the Poor: Informational Challenges .....                             | 121        |
| 7.4 Enhancing Accountability .....   | 122        |
| 7.5 Organisational and Management Arrangements .....                                 | 123        |
| 7.6 Incentives and Other Performance Drivers .....                                   | 125        |
| 7.7 Concluding Remarks .....   | 126        |
| <b>8 Limitations with Partial Performance Indicators: An Empirical Example .....</b> | <b>129</b> |
| 8.1 Introduction .....   | 129        |
| 8.2 NWSC Performance Analysis: 2000–2006 .....                                       | 130        |
| 8.3 Literature Review .....  | 134        |
| 8.4 Efficiency Measurement Methods .....   | 135        |
| 8.5 Efficiency Estimation and Model Results .....                                    | 136        |
| 8.6 Analysis of Corporate Efficiency Trends .....                                    | 137        |
| 8.7 Concluding Remarks .....   | 139        |
| <b>9 Improving Urban Water Governance: Indicators and Incentives .....</b>           | <b>143</b> |
| 9.1 Introduction .....   | 143        |
| 9.2 Information Systems Management .....   | 144        |
| 9.3 Policy Environment .....   | 147        |
| 9.4 Functioning of WSS Service Providers .....                                       | 151        |
| 9.5 Development of the WSS Infrastructure .....                                      | 155        |
| 9.6 Financing of the WSS Infrastructure .....  | 157        |
| 9.7 Regulation of the WSS service .....  | 157        |
| 9.8 Concluding Remarks .....   | 160        |
| <b>10 Summary Conclusions and Recommendations .....</b>                              | <b>163</b> |
| 10.1 General .....   | 163        |
| 10.2 Thinking of Quick-Wins to Performance Improvement .....                         | 163        |
| 10.3 The Customer Should be a Focus .....  | 165        |
| 10.4 Do not forget the Poor .....  | 165        |
| 10.5 Good Governance is Key .....  | 167        |
| <i>List of References .....</i>  | 169        |
| <i>List of Acronyms .....</i>  | 175        |
| <i>List of Figures .....</i>   | 179        |
| <i>List of Boxes .....</i>   | 181        |
| <i>List of Tables .....</i>  | 183        |
| <i>Technical Appendix .....</i>  | 185        |
| <i>Index .....</i>   | 193        |
