

# Next Generation Leaders CEOs Dialogue

**This program will identify and develop your leadership skills, help you navigate crucial challenges, and better equip you for next steps in your career.**

**Ten 90-minute sessions every Monday and Wednesday, from 10:00 - 11:30 AM EST  
Monday, May 24 - Wednesday, June 23, 2021**

*Many are called upon to provide leadership. Some succeed; many fail. Are you ready to succeed? Are you ready to hone in on your leadership traits, develop them to address pressing challenges, and prepare yourself for what is ahead? This program is right for you!*

## As a participant, you will:

- Gain new perspectives on what leadership is and what is required of an effective leader.
- Find and develop a personal leadership style that suites you and your work environment.
- Understand what is required of a leader, and how you can employ various leadership skills to overcome challenges you may face.
- Develop skills that will help you understand the specific needs of your organization or unit and the people in it.
- Learn how to practice leadership effectively, especially as it pertains to moving your organization or unit forward and leading change.
- Experience what leadership looks like in real time, and identify pivotal techniques and skills that will set you apart.

## Workshop Methodology

This virtual program is geared towards working professionals with busy schedules. Each of the ten 90-minute sessions will be highly interactive, meaning that registrants will contribute to the program and actively engage with other participants and program faculty. Participants will complete assignments, self-development tasks, as well as work on their own cases. The total time commitment will be approximately 5 hours per week.

### See what other participants throughout the years have said about our previous PURC Leadership Workshops:

*“This [experience] is very well designed to encourage leaders to examine their leadership style and to adapt it to the environment we exist in. The sessions gradually take you through self-exploration and organizational needs to real solutions.”*

**Stephen Bereaux**, Former CEO, Utilities Regulation and Competition Authority (URCA), Bahamas

*“The [course] provides you with a clear understanding of your leadership role within your organization, how you can use tools to enhance your leadership skills, and be a better leader in your organization.”*

**Stephen Ofori**, Manager, Corporate Strategy, Volta River Authority (VRA), Ghana

*“I strongly recommend that other board members/regulators attend this [training]. It is an eye opener and inspiring.”*

**Jonathan Moseki**, Non-Executive Board Member, Botswana Energy Regulatory Authority, Botswana
